WITHOUT GOD, EVERYTHING IS NOTHING

Ecclesiastes 1:1-3

WHAT IS THE GOAL OF THE BOOK OF ECCLESIASTES?

Only God can fill the deep _____ and _____ of our _____.

We should live with _____ in view and with confidence in the _____ of God.

We say God is our top priority, but we spend most of our time pursuing life in this _____.

In this study, we are going to learn some important principles about life. With God, life can have _____ and mean something if we will _____ ourselves to God.

THREE FOUNDATIONAL STONES FOR YOU TO BUILD ON:

1. THERE IS A PREACHER WE MUST ACKNOWLEDGE

David had given to his son, Solomon, the _____ things he would need to succeed.

God is good to them who _____ Him first!

If you will set your mind on _____ things first, God will often give you earthly things because He knows you can _____ them.

You have to learn to live for God's _____ rather than your own.

Solomon is a Preacher we must acknowledge because He received great _____ from the Lord.

The unfortunate thing about Solomon is, somewhere he began _____ from the Lord.

The wisest man in the world, Solomon,
_____ his life!

2. THERE IS A PROBLEM WE MUST ADDRESS

In the Hebrew, the word "vanity" means _____.

It refers to that which is fleeting, foolish or that which is _____.

Solomon is saying that life is all _____ without God!

Nothing in this world will bring us _____, _____ and _____.

3. THERE IS A PERSPECTIVE WE MUST AVOID

In the Book of Ecclesiastes, Solomon repeatedly talks about "_____."

We either live on earth and are guided by _____ or we live on earth and are guided by _____.

We ignore God by living for _____.

God has a _____ for your life!

We must have the wisdom of God that comes from His precious _____.

If you have Jesus, you have _____.

Start living for the _____ rather than "living under the sun."
